Technical drawing of a 100mm diameter, 2200mm high column. The drawing includes a front elevation, a top view, and a side view. The front elevation shows a column with vertical fluting and a base. The top view shows a circular cross-section with a central hole. The side view shows the fluting profile. Dimensions are given in millimeters: diameter 100, height 2200, and a base width of 2700. A note specifies the material as reinforced concrete (Beton armovaný) and the design is for a column (Stĺp).
